MEMORANDUM TO FILE

TO: File

FROM: Malika Davis, Public Utility Analyst MD

SUBJECT: In The Matter Of The Application Of PJM Wholesale Brokers, LLC d/b/a US Grid Wholesale For Approval Of A Name Change To US Grid Energy, LLC (Filed October 7, 2013) - PSC Docket No. 13-386T

On October 7, 2013 PJM Wholesale Brokers, LLC ("PWB") filed an application with the Delaware Public Service Commission ("Commission") to change its name to US Grid Energy, LLC. ("US Grid" or "Company"). PWB originally filed an application for an Electric Supplier Certificate ("ESC") on January 29, 2013. On April 5, 2013 PWB amended its application by filing a trade name to operate in the State of Delaware under the name of US Grid Wholesale. An ESC was originally granted to PWB d/b/a US Grid Wholesale.¹

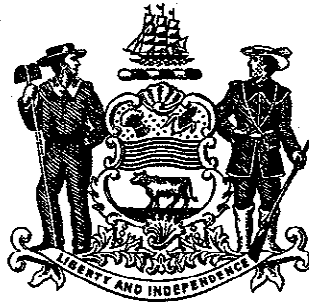

In the application in the instant docket, PWB is requesting for the name change to US Grid to be effective immediately. PWB filed a Certificate of Amendment with the Delaware Division of Corporations on June 19, 2013, changing its name to US Grid. In the application, the Company included proof from the Delaware Secretary of State that it is legally authorized and qualified to do business in the State of Delaware.

The Company does not serve any Delaware customers at this time. Therefore, it does not appear that the requested name change will affect electric supply service to any Delaware customers.

PWB's request for a name change appears to be reasonable and meets the requirements of 26 *Del. Admin. C.* §3001 (the "Supplier Rules"). Among other things, the application satisfies the requirements of Section 2.1.1.1 of the Supplier Rules (Authority to do business in Delaware). Staff, therefore, recommends the Commission recognize the name change by PJM Wholesale Brokers, LLC to US Grid Energy, LLC.
